BIENAL DE ARTE BARCELONA

The "Bienal de arte Barcelona" will be hosted by MEAM inside Gomis Palace, placed among the lanes of Born district of Barcelona. An area where culture is ever-present and that is the mirror of inner city charm and where tradition and modernity meet each others, that now is a must during touristic tours through the artistic and monumental Barcelona.

The MEAM offers to its visitors collections, exhibitions and cultural and artistic events, that better represent the contemporary figurative art without forgetting the past tradition.

The European Modern Art Museum of Barcelona, belongs to "Arts and Artists Foundation". Gomis Palace was built in 1792 on demand of a rich merchant who gave the name to the Palace. After several restoration works, the Palace opened its doors to visitors in 2011, giving them the chance to live a unique experience about contemporary figurative arts.
